John Chiang Applauds Assembly Vote on Tax Amnesty Bill

Sacramento, CA – John Chiang, Member of the State Board of Equalization, applauded the passage of the broad and innovative tax amnesty proposal (AB 2203 authored by Assembly Member Judy Chu D-Monterey Park) that he is co-sponsoring.

“This tax amnesty measure will bring in much needed revenue for firefighters, police, teachers and health care workers. AB 2203 is expected to generate over \$710 million for critically needed programs and services without raising taxes. Honest taxpayers should not have to shoulder the burden of those who evade taxes.”

“As a co-sponsor of this legislation, I look forward to working with Assembly Member Chu and the Legislature to ensure that this bill is signed by the Governor.”
